HIGHEST PRICE YET PAID FOR BALED COTTON

The highest price ever paid for baled cotton, since the growing of the long staple variety became a serious occupation in the valley, was made yesterday, when several bales brought 42½¢ at a sale held in Tempe yesterday.
The sale was well attended. It seemed that the buying of cotton has become one of the most important functions in the valley. There were several hundred present, and all were keenly interested in the price to be paid. Several buyers were inclined to be a little doubtful concerning the sale of the cotton at such a high price, fearing that the price will get the best of the market.
It has been reported that some sales have been made as high as 44¢, but thus far, no confirmation can be made of the report. Many ranchers are holding on to their cotton, believing that the price will go still higher. It is said by those who know, and are on the inside of the cotton market, that it is probable that the price will mount considerably. Those same men are giving advice to ranchers to hold on to a while longer.

CONSCRIPTION NOT FOR THE ANTIPODES

(Republican A. P. Leased Wire)
MELBOURNE, Australia (via London, N.Y.).—The anti-conscription bill in the balloting on the question of compulsory military service is only slightly reduced in the latest returns which show the following results:
Against conscription, 555,000; for conscription, 553,000.
It will be a considerable time before the actual result is known. The newspapers are discussing reconciliation between the conscriptionists and anti-conscriptionists and laborites, but the future depends entirely upon the attitude of Premier Hughes. The political situation is tense.
At Sydney about twenty labor members of the state parliament have withdrawn their support from W. A. Holman, premier of New South Wales, and formed a new party, while the minister of labor and industry, John Estell, has resigned his portfolio owing to differences over conscription.
At Brisbane, Senator Lambard has been expelled from the labor movement because he supported conscription.

DUTCH LINER COMES ACROSS UNMOLESTED

(Republican A. P. Leased Wire)
ROTTERDAM (via London), Oct. 31.—The Holland-America liner *Nieuw Amsterdam*, which sailed for New York early today, is the first steamer from this port to make the trip without a compulsory call at Kinkwall, Scotland. The reason given for the change is that the rocky coast of North Scotland is most dangerous in the winter season and that the British authorities will be satisfied with one inspection of the liner's cargo and passengers at Falmouth. After this Kinkwall also will be dropped on the homeward voyages from America.
Among the passengers on the *Nieuw Amsterdam* are Mrs. Van Dyke, wife of the American minister, and her daughters, who will pass the winter at their home in Princeton. Colonel Liston, American consul general at Amsterdam, and Julia Culp, the singer, also are aboard.

RIOTS IN RUSSIA

(Republican A. P. Leased Wire)
BERLIN, Oct. 31, (By Wireless to Sayville).—Reports from Stockholm declare that very serious riots have occurred at Moscow. Kievan and other towns in the Volga district of Russia, says the Overseas News Agency. "At Moscow empty meat shops were stormed and two persons were killed by the police during a riot before a sugar shop at Kiev."
Among the passengers on the *Nieuw Amsterdam* are Mrs. Van Dyke, wife of the American minister, and her daughters, who will pass the winter at their home in Princeton. Colonel Liston, American consul general at Amsterdam, and Julia Culp, the singer, also are aboard.

BIG DAMAGE SUIT FOR LOSS OF LIFE

A thirty thousand dollar damage suit was filed yesterday against the Arizona Hercules Copper company yesterday by P. A. Delgado, administrator of the estate of Joe Delgado, deceased.
The suit is the outgrowth of an accident which occurred the eighteenth of last month when Delgado and a group of Mexican miners lost their lives while engaged in sinking and operating a shaft.
The workmen were lowered from the surface to the bottom of the shaft in a bucket and in the complaint is set forth the alleged defective workings that led to the fatalities. Negligence and carelessness on the part of the Ray Hercules company is charged.

FUNERAL NOTICE—The funeral of William Henry Sullivan, who died at his home yesterday afternoon, will be held from the undertaking parlors of H. M. Maus, 311 North First avenue this afternoon at 2:30. The services will be in charge of Rev. George R. Varney and the Odd Fellows, interment being in Greenwood.

MR. N. A. MORFORD, whose card we publish as nominee for Justice of the Peace for the West Phoenix Precinct, has been a citizen and taxpayer of the valley for the past thirty-seven years, and at one time was the efficient and capable protoge judge of Maricopa county. POLITE MEXICAN PREFERS COURTS OF OLD COUNTRY

"I never sit in the presence of my superiors," said Juan Ramirez with a flourish of his sombrero as he entered Justice De Sousa's court and was told by the deputy sheriff to be seated. The complaint sworn to by Marie Valdespino Ramirez, charging the prisoner with aggravated assault, was read. The former officer of Pancho Villa's army smiled.

"You might apply for a change of venue," replied Justice De Sousa, and set 10 o'clock Monday morning for the preliminary examination.

NEW ATTORNEYS—Two attorneys were admitted to practice before the courts of Arizona yesterday, W. E. Soltero, formerly of California, was admitted to practice upon motion of Charles B. Warr, and E. L. Green was admitted upon motion of George W. Harben. Green comes from Kentucky.

WOMAN SUES FOR DAMAGE DONE BY CAVE CREEK FLOOD

Claiming that her property has been damaged and destroyed to the extent of \$4500 and asking the court to issue an interlocutory injunction restraining from committing or causing to be committed injury to her premises, May H. Marley instituted court proceedings against the Reclamation service yesterday.

When the Reclamation service reconstructed and enlarged the Arizona canal large quantities of flood waters of Cave creek caused New river to overflow the banks and wash away and result in damage to her property. She cites instances of damage done by both the Arizona and Grand canals where the natural channel has been changed and the course of Cave creek obstructed.
